## Dušilnik vibracij 300 mm PVC cevjočep I.D. 12G 1/2 Z.N.

Kategorija: [Vibration dampers](#)  
Šifra: **142187RIE**

### Kratek opis

Vibration damper with 300 mm PVC workshop hose, plug I.D. 12, G 1/2 ET, pressed, max. 15 bar, Temp. -20 °C to 60 °C

When using pulsating tools it is recommended to observe the standard ISO 6150, § 7.1.

It recommends installing a minimum 300 mm long, flexible hose between the pulsating tool and the quick-connect coupling.

The oscillating forces are taken by the hose piece and thus increase the service life of the quick-connect coupling. No warranty can be made for couplings mounted directly on pulsating tools.

### Tehnične Specifikacije

|                                |          |
|--------------------------------|----------|
| Min. temperaturno območje [°C] | -20      |
| Povezava                       | G 1/2 ET |
| DN                             | 12       |
| Max. obratovalni tlak [bar]    | 15       |
| Max. temperaturno območje [°C] | 60       |
