## Ravni vijačni prik. PP, G 1 , zun. Ø 32 mm

Kategorija: [Male connectors - PP](#)  
Šifra: **110276RIE**

(slika je simbolična)

### Kratek opis

Straight screw-in fitting PP, G 1 o., for hose exterior Ø 32 mm, Working pressure max. 16 bar  
Lightweight, push-in fittings distinguished by high strength, toughness, resistance to abrasion and impact resistance - ideal for a wide range of applications.  
All our push-in fittings made of POM have the following approvals:  
drinking water DVGW, KTW, FDA and NSF.  
Plastic and metal tubes are connected together quickly and easily. Suitable for compressed air or liquids, with good resistance to a large number of chemicals.

### Tehnične Specifikacije

|                               |                                            |
|-------------------------------|--------------------------------------------|
| Material                      | Polypropylene, glass fibre-reinforced (PP) |
| Navoj                         | G 1                                        |
| Max. delovni tlak [bar]       | 16                                         |
| Max. delovna temperatura [°C] | 20                                         |
| Za cevi O.D. [mm]             | 32                                         |
| a/f [mm]                      | 46                                         |
| L1 [mm]                       | 111.4                                      |
