## Tlačni regulator »G-mali«, Velikost 200, G 1/4, 0.5 - 9 bar

Kategorija: [Pressure regulators](#)Šifra: **116457RIE**

### Kratek opis

Pressure regulator »G-mini« pressure gauge, Mounting bracket, Size 200, G 1/4, Input pressure max. 10 bar, Control range 0.5-9 bar  
Reversible diaphragm pressure regulators, independent of inlet pressure, with self-relieving design.  
The pressure setting can be locked by pushing the button down.

### Tehnične Specifikacije

|                              |                                                                      |
|------------------------------|----------------------------------------------------------------------|
| Merjenje pretoka             | At $P_1 = 8$ bar, $P_2 = 6$ bar and pressure drop $\Delta_p = 1$ bar |
| Navoj                        | G 1/4                                                                |
| Ohišje                       | Die-cast aluminium                                                   |
| Serijska                     | G-mini                                                               |
| Tesnilo                      | NBR                                                                  |
| Vzmet pokrova motorja        | POM                                                                  |
| Min. krmilno območje [bar]   | 0.5                                                                  |
| Max. krmilno območje [bar]   | 9                                                                    |
| Max. vhodni tlak [bar]       | 10                                                                   |
| D [mm]                       | 25.5                                                                 |
